A WEDDING RESOURCE FOR SAME-SEX & ALLIED COUPLES

## Our Mission

You're EnGAYged features same-sex couples blogging about their wedding-planning experiences, profiles of real gay weddings and engagements, vetted LGBT-friendly vendor listings, and same-sex marriage news.

## Our Pride

What differentiates So You're EnGAYged from many other wedding resources is that vendors do not pay to be featured on the site; rather, they have to go through a vetting process that ensures their business is actively LGBT-friendly and well-reviewed.

We also only feature LGBT couples in our real gay weddings and engagement profiles, to serve as inspiration for all engaged couples.

## Our Goal

So You're EnGAYged hopes to assist same-sex and allied couples in planning weddings that reflect their own ethical commitments. So You're EnGAYged hopes to become the go-to online site for same-sex wedding planning.

## Press

So You're EnGAYged has been written about in the Washington Post, Metro Weekly, Jezebel, the DC Examiner, Rock 'n Roll Bride, A Practical Wedding, the Digital Wedding Forum, and the UnBride. We are also a proud member of the B-List.
